

# **RELW100: Real Estate Law**

Real Estate law is one of the most exciting and lucrative aspects of the legal profession. There is a great demand for real estate specialists not only in law firms, but also in banks, title companies, real estate brokerages, and many other aspects of the business. This area of law has unlimited opportunities for paralegals who are interested in becoming involved in the dynamic and important aspect of life. Nearly everyone owns real estate, yet very few people understand the nature of real estate transactions.
