

Write the Statement of Need Part 1: Lesson 4

In this lesson, we'll focus on how to prepare the first section of the grant proposal narrative—the research and major accomplishments section. You'll learn how to sift through organizational documents and write useful information that will answer the dozens of questions that grant reviewers ask when reading your narrative. Most importantly, you'll learn how to avoid the mistakes that can cause your grant proposal to lose points during the initial stages of the funder's review process.
