People often find themselves serving in various capacities in organized religion or informal ministries based on zeal or availability but have limited training. This in-depth course will provide the necessary foundational knowledge to help you grow personally in your spiritual life but also prepare you for the daunting role of helping others grow in their relationship with God as well. At the end of this course, students will be certified to work in churches, religious non-profits, and Christian schools and youth camps among other vocations.

In this Christian Ministry Certificate program, students are offered an overview of the Bible and the purposes of the Old and New Testament. The student will review the fundamentals of Christianity while gaining a fresh appreciation for the eternal significance of salvation, baptism, and faith. This gives students the solid foundation on which to build their life-long study of God's word. Students will enjoy moving beyond basics and into an understanding of the power and excitement of Kingdom living.
